

CENTRAL INSURANCE...

Working **Together** to Fulfill
the Promises for **Tomorrow**

GoGreen[®]

Central has developed several “green” options for our customers. Each of these options reduces paper waste, saves time and money, and conserves printing and processing resources.

GREEN SOLUTIONS FOR OUR CUSTOMERS

(click a link to learn more)

E-billing

Receive and view your billing statement online and utilize any of the electronic payment options.

Electronic Funds Transfer (EFT)

Offered on all of Central’s billing plans (Annual, Semi-annual, Quarterly, and Monthly) with payments automatically withdrawn from your checking or savings account.

Electronic Check

Process a one time check payment electronically either online or over the phone.

Credit/Debit Card

Process a one time Visa[®] or MasterCard[®] payment electronically either online or via the phone.

myCentral[®]

This interactive website allows policyholders to service their account online. Pay bills, view statements, report a claim, update contact information, find informative resources about your home and auto, and news about products and services.

E-policy

This system will issue your new or renewal policy electronically and make policy information available online...coming in 2009!

Fulfilling the Promise Since 1876
