

Agreed Value Coverage

The Central Insurance Companies are comprised of Central Mutual Insurance Company and All America Insurance Company.

Lock in your auto's value with Central's Agreed Value Coverage.

Besides buying a home, purchasing a car is one of the most expensive line items in many family budgets. Unfortunately, the moment you drive your brand-new vehicle out of the dealer's showroom, it may depreciate ten percent or more!

Standard auto insurance policies only pay you for the depreciated value in the event of a partial or total loss. Wouldn't it be nice to know that you can purchase insurance coverage that locks in the full value of your vehicle before a total loss occurs?

With Central's Agreed Value Coverage, you can!

Available for just cents per day, Agreed Value Coverage provides you peace of mind knowing that should you experience a total loss, we'll pay you the full amount listed in your policy declarations with no dispute over the value of the vehicle.

Add industry-leading coverages such as Central Signature® or Central Mutual Summit® to your policy package, and we'll even waive the deductible should a total loss occur!*

For more information about these and other outstanding coverages, talk to your Central agent today.
