

QUICK GUIDE

Reporting Glass Claims to Central

At Central, we're here to make your glass claims experience as **smooth and hassle-free** as possible. If you experience glass damage, follow these simple steps to get quick, efficient service and ensure the right coverage is applied.

1 Report Your Glass Claim to Central

To guarantee the best service and proper coverage, all glass claims must be reported to Central **before** any repairs begin. We offer two easy ways to report your claim:

- Online via the **myCentral website or mobile app**
- By calling Central's glass network at **800.988.9808**

We're committed to delivering exceptional service every step of the way. By starting your claim with Central first, we ensure everything runs smoothly from start to finish.

2 Work with a Safelite-Affiliated Repair Shop

When you report your claim, you'll automatically be connected to a Safelite-affiliated repair shop. Working with a Safelite-affiliated shop provides a seamless, hassle-free experience with significant benefits:

- **Easy Coverage Application.** Your policy's coverage is automatically applied, reducing out-of-pocket expenses and avoiding unexpected costs.
- **Hassle-Free Repairs.** Quick service and expert care ensure your vehicle gets back to normal faster.
- **Peace of Mind.** Rest easy knowing you're working with a network vetted for quality and efficiency.
