Take These Steps

Report Your Accident

- Don't try to move an injured person unless there is a vehicle fire or other immediate risk.
- Covering an injured person with a blanket can help prevent shock.
- 2. Move your vehicle to a safe location if possible.
- 3. Do not admit fault. Only give out information required by the authorities, and do not sign any statement except from an authorized Central representative.
- 4. Record the facts accurately by completing this brochure. This includes recording the names, contact information, and insurance information of the other drivers, and contact information of any witnesses.
- 5. Take notes and photos of any property damage caused by the accident.
- 6. Contact your insurance agent to report the claim.
